## Experience

09.2007 - 04.2011

### **UM Brand Creative Services Graphic Designer III**

*Oxford, USA*

Responsible for creating information packets and web graphics for the **2008 Obama/McCain Presidential Debate**

Cooperated with department heads on reworking and rebranding university promotional material

Improved the university's web presence by redesigning the main web site and reorganizing existing content

Designed various forms of print material, including brochures, posters, mailers and annual reports

Prepared files for print and conducted press-checks

04.2007 - 09.2007

### **Clockwork Studios Graphic Designer**

*San Antonio, USA*

Created on-point concepts for websites, newsletters and calendars under strict deadlines

Select clients included **Time Warner, Verity National, UTSA and San Antonio Children's Museum**

Handled client communication and file preparation

04.2006 - 0.3.2007

### **LA Tech Enterprise Center Student Graphic Designer**

*Ruston, USA*

Established new brand for LAEC by designing logo, newsletter template, signage, and web graphics

Produced promotional posters for guest speakers

Designed large-format posters for technology forums on short notice
